

EX NO : 05	COLLEGE WEBSITE CREATION USING HTML AND CSS
DATE : 27/07/2026	

AIM:

To create a college website creation using HTML and CSS.

DESCRIPTION:

This project focuses on designing a simple and responsive college website using HTML and CSS. It includes pages such as Home, About, Courses, Admissions, and Contact. The website provides an attractive, user-friendly interface and helps users easily access college information.
